A KEHOE DESIGNS Company

Floral Exhibits has the distinction of being the very first floral contractor in the convention industry. We provide plants, fresh floral and props to enhance exhibits and show floors. Floral Exhibits has worked in all the major convention centers nationwide, which gives our clients the confidence that we will provide quality service and experience in any city where their show or event is taking place. Floral Exhibits is the trade show division of Kehoe Designs, a full-service event design and décor company.

Kehoe Designs specializes in corporate and social events. We bring our signature style to each experience we design, focusing our uniquely imaginative skills into bringing your vision to life. Whether you are looking for something simple or grand we will transform any exhibit or event into an unforgettable experience.

We look forward to working with your company to provide top of the line plantscapes, booth enhancements and event décor before, during and after your trade show!

EXHIBIT CAPABILITIES:

Garden & Plantscape Design

Indoor or outdoor, we enhance events, exhibits & stages with quality plant materials custom designed to your requirements.

Floral Design

From custom floral arrangements to distinctive terrariums, we can satisfy all of your floral needs.

Themed Exhibits

With over 150,000 square feet of warehouse space, we have props beyond your imagination. From winter scenes and tropical gardens to the great Southwest and the exotic orient, we can take you anywhere.

Plant Architecture & Branded Booth Enhancements

Living walls, garden props and other unique plant structures help you to frame and define your exhibit. Our graphics department can incorporate your company logo or theme to magnify the brand statement of your booth.

EVENT CAPABILITIES:

Floral Exhibits has the support of one of the top event design and décor companies in the United States, Kehoe Designs. From your opening cocktail reception to your closing night gala, we bring unique style to your event.
