Problem:

Below are questions attendees/exhibitors ask themselves prior to arranging hotel accommodations:

- Which hotel should I select for my stay?
- How do I know I am getting the best rate?
- Which part of Chicago should I narrow my search?
- How do I earn points/rewards for my stay?
- Which hotels offer my preferred amenities?
- Does my preferred property have enough rooms to accommodate my group?
- How do I book group reservations and what are the payment options?
- Is there flexibility in the cancellation policy?
